STOPS INTRUDER — Paul Wilhelm of Thousand Palms killed the lynx pictured above when he discovered it scratching at the door of his home Tuesday afternoon. It was during the daytime, and Wilhelm used a .22 rifle. He reported that this lynx and two more in that area have reduced his quail flocks from 180 to 40. Wilhelm is having Gillus Fuson, Calle Encilla make a rug out of the pelt.

Rosen Will Head Circus Second Year

Adrian Rosen was reelected president of the Desert Circus Association for 1954 at the annual meeting at the Chamber of Commerce offices Thursday which evoked enthusiasm and pledges of support from all organizations represented.

Other officers named were: Culver Nichols, vice president; Harold West, reelected treasurer, and Jeano Bailard, secretary.

The 1954 Desert Circus will be held on Thursday, Friday, Saturday and Sunday, April 22 through 25.

REPRESENTATIVES were present from 30 organizations, and each promised the complete cooperation of his group in the staging of the eighteenth annual event.

Naming of the chairman and co-chairman was deferred until a later meeting, but a tentative theme, "The Living Desert" was approved by the group upon suggestion by Nichols. Villagers, visitors and organizations were invited to propose themes for the circus, sending them to The Desert Sun or the radio station, and all suggestions will be considered before a final selection.

NEXT MEETING of the group will be Thursday, February 11, with the place to be announced. Rosen expressed optimism following the meeting, saying "It looks like the greatest Circus in history. With the enthusiasm shown by all groups, it cannot help but be a great success."

Bad Checks

Suspicious Manner
Leads to Arrest

A suspicious manner while offering a check in payment for a cigarette lighter led to the arrest Thursday of Lewis Wren, 33, Stanton, Texas.

A. S. Wilson of Wilson's Jewelers sold Wren the lighter, accepted the check and kept the lighter for engraving the name on it. When Wren left his place, he called the bank and learned the check was "no account," and then called the police.

Officer T. M. Aitken remained at the business establishment until Wren returned to claim his purchase, and then arrested him.

Sore Hand

Thief Injured
in Raid on Auto

One thief in the Village has a sore hand.

This was reported by police Wednesday when they discovered that edges of a broken wind wing of a car were speckled with blood.

Two items were taken from the car parked in The Plaza, a blanket valued at \$12, and a tennis racquet valued at \$22, according to Owner Anne Boyce.

CIRCUS HEAD—Adrian Rosen re-elected head of the Desert Circus association at organization meeting for this year's event.

James R. Pain Fatally Injured in Fall from Roof

James Raymond Pain, known to his many friends in the Village as 'Jack' Pain, died Friday morning at Desert Hospital as result of injuries received in a fall from the roof of his apartment, Los Dolores, at 312 Camino Monte Vista.

Mr. Pain had gone to the roof of his building Tuesday night during the rain storm. He slipped and fell approximately 12 feet to the cement patio below, striking on his head.

He was taken to the hospital unconscious and did not rally. Death came at 8:20 Friday morning.

He had been a resident of Palm Springs for several years and with his wife operated Los Dolores apartments. He was a native of Kansas and was 38 at the time of his death.

Mr. Pain is survived by his wife, Xephra, his mother, Mrs. Anna Pain of Fresno and a sister, Mrs. Tempa Hargrave, also of Fresno.

Funeral services will be held this Monday morning at 10 o'clock at Wiefels and Son chapel with the Rev. P. Martin Baker officiating. Interment will be in Palm Springs cemetery.

Wiefels and Son are in charge of arrangements.

Army Engineers

Three additional offers of recreation facilities for members of the Army Engineers stationed here were reported this week by Howard Haddock, city recreation director.

All personnel will be admitted free to The Playhouse on Sunday nights, through the cooperation of Producer Herb Rogers; the high school swimming pool will be available Saturday afternoons from 1 to 4, and the men will be admitted free to the Rodeo on Saturday, February 6.

Two More Thefts of Filter Pipe Listed

Two more teen-agers acquired new exhaust pipes for their cars Tuesday night, making the total four to date.

Theft of chrome swimming pool filter pipes were reported by A. R. Dwight, 1524 Via Salda, and A. R. Spencer, 610 Indio road.

Economy in State Budget, CMA Appeal

Definite stands on two major issues were taken by the board of directors of the California Manufacturing Association at its monthly meeting Friday at The Desert Inn.

The directors, statewide spokesmen for factories employing about one-fourth of all the non-farm workers in the state, urged utmost economy in state spending in the interest of maintaining California's sound economy, and expressed opposition to any change in the Taft-Hartley Act at this time.

REGARDING the Taft-Hartley Act, the manufacturing executives adopted the following basic policy:

"The Taft-Hartley Act in its present form represents a sound national philosophy regarding labor-management relations. It clearly recognizes the essential principles of (a) respect for the dignity of the individual employee; (b) an equitable balance of power between labor and management; and (c) protection and furtherance of the public interest as a paramount consideration.

"IN LIGHT of these essential principles and in the belief that the Taft-Hartley Act, if administered properly and permitted to function as intended by Congress, will accomplish the desired results, it is strongly urged that no change be made in the Act at this time. Any attempt to amend the Act to reflect changes in various sections as proposed either by labor or management might tend to weaken rather than strengthen the Act."

The resolution urging readjustment in state government spending to a peacetime economy, pointed out that the state has spent in the past two years \$152,000,000 more than it collected, and that the wartime reserve will be exhausted by 1956 if this same deficit spending is continued.

CMA DIRECTORS urged the state administration, Senate Finance Committee and the Assembly to make critical scrutiny of all budget requests with the determined purpose of effecting every reasonable economy possible in order to alleviate the necessity of an impending tax increase and preserving current surpluses for future emergency use.

A. Livingston, Association president, regarding the curtailment of spending said:

"Unless the 1954-55 state budget and those following are held as low as possible, new taxes are inevitable. In this period of economic adjustment we must exercise rigid economy. Taxes and jobs are related—California industry must be kept in a competitive position to sustain or increase payrolls; added state or local taxes will discourage."

Nation's Best Golfers Here to Start Full Week of Play in Thunderbird's Tourney

Golfing spotlight of the nation swings to Palm Springs today when all the entrants in the \$15,000 PGA approved Pro-Member tournament start their practice rounds at Thunderbird Country club.

In the spotlight will be all the top pros in the country plus numerous stars of the entertainment world—each a gallery attraction in his own right and together one of the greatest crowd appeals ever presented in the desert area.

AND THE GALLERY was expected to start congregating early this morning to watch the practice rounds. Many persons already have purchased season passes and plan to attend the full seven days of action, while others are planning to attend only the tournament itself starting Thursday and ending Sunday.

Thursday and Friday will be a Pro-Member event, with one pro teaming with three amateurs with handicaps of 0 to 18. The final two days, Saturday and Sunday, the pros play alone, with their total for the four-day, 72 hole event determining the first place winner.

THE TEAM which captured the Pro-Member part of the tourney last year will be together again to defend its title. On the winning foursome were Pro Ed Oliver, and Amateurs Ralph Kiner, Joe Dyer and Maynard Laswell.

Celebrities who probably will prove as great an attraction as the top pro golfers of the country are: Bing Crosby, Bob Hope, Gordon MacRae, Randolph Scott, Hoagy Carmichael, Desi Arnaz, Phil Harris and Ben Bage.

GALLERY TICKETS

are on sale now at the American Legion hall and at a booth downtown on Palm Canyon drive, or from any Legion or See TOP PROS, Page 5A

Complete starting times in Thursday and Friday's Pro Amateur play may be found on Page 5a today.

Bob Bennett to Manage Arizona County Chamber

Robert Bennett, long active in civic affairs here, is leaving Monday for Safford, Arizona, to assume management on February 1 of the Safford-Graham chamber of commerce. The chamber, with its offices in Safford, covers all of Graham county in the upper Gila valley. Safford has about 4300 population but is the trading center for the vast county area, most of which is devoted to agriculture and cattle raising. Bennett said.

Bennett is former Youth Center director, housing authority manager and was with television here for a while.

The Bennett family will remain here for a while, joining him in Safford later.

Loses Ring, Gift of Son, Now in Service

Loss of a rhinestone bracelet, a gift of her son in service, was reported to police Saturday by Louise Freitas of San Juan Bautista.

"It has a great sentimental value to me," Mrs. Freitas said.

ROTARY "SOJOURNERS" — So many Rotarians from all parts of the country spend the winter here and attend the meetings of the local club regularly that they have formed their own group. They are known as the "Sojourners" and take an active part in the activities of the Rotary Club of Palm Springs. Heading the group this year is Collis Steere of Palo Alto. Harry Yesley of Estes Park, Colorado, is vice-chairman and Ford Humeston of Hollywood, is secretary-treasurer.

The group will sponsor two or three programs. A new activity will be to call upon visiting or local Rotarians who are not able to attend the meetings because of illness. They also have a hospitality committee which greets all of the other visiting Rotarians, in addition to the greeters of the local club. Last year the Sojourners collected a fund of over a hundred dollars among the members of their group exclusively and turned it over to the Palm Springs club for Boy Scout work.

Many wives of the Sojourners have lunch together at the same time their husbands are attending Rotary meetings. They meet in the lanai at the Tennis Club Wednesday noon. Several wives of local Rotarians serve as hostesses, with Mrs. Howard Jay and Mrs. Duane Stachler serving as co-chairman.

ALL-FAITH PRAYER — While on the subject of Rotary, I would like to pass along the prayer that was used at the last Rotary International Convention. Since Rotary International includes all faiths and many races, it is a prayer that can be said by any person, regardless of race, color or creed. It is a very fitting prayer to be used before any gathering of men and women of good will.

"Almighty God, we pray thee to bless this gathering of peaceful men and women. We beseech thee, Oh God, to give us courage, knowledge, wisdom and understanding, whereby with singleness of purpose we may return to our respective communities and help to build a lasting and enduring peace."

I understand this simple prayer was agreed upon by leaders of the many faiths represented after they had each prepared their own rather lengthy petitions.

Chooses Wrong Place for Armed Hold-Up Attempt

Harry Joseph Foguth, 39, picked the wrong place in which to attempt an armed holdup Friday night.

Discovery of a local booking operation in Palm Springs was reported Thursday by Police Chief John S. Davis, and a patrolling of the place during afternoon hours is now in effect. During a routine patrol to try to counteract the recent wave of car clouts, Chief Davis noticed lights on in a local hotel over a bar and decided to investigate for gambling. Assisted by Detective Robert White, they discovered 12 men playing gin

rummy in an innocent non-gambling game, no money being in evidence, but in another room found evidence of a booking operation. The patrolling of the area during the afternoon hours is a recognized police method used in other cities, Chief Davis said. If other places of operation are discovered, it will be instituted there too, he said.

SUNSHINE CAPITAL — The weatherman, much maligned, will get a break here. Bob Howard, of Howard Manor, left, shows why. There's more sunshine here and less "unusual" weather than any other spot as shown by the charts of records kept at Thermal. With Howard is Mrs. Earl Dodd and Bill White, manager of hotel. The weatherman to get the plaque at ceremonies next month is Jesse Watkins, U.S. meteorologist stationed at Thermal.

Aviation Country Club at Desert Air for Contests

Desert Air was the scene of much aviation activity last weekend when the Aviation Country Club of California held its annual efficiency contest there. Thirty private planes took part in the contest covering a course of 200 miles.

The planes took off from the Desert Air strip and returned to the finish line there.

The winners will not be announced until some time in February when a trophy dinner will be staged at Desert Air hotel.

Among spectators were Bill Boyd (Hopalong), Edgar Bergen, who flew in his own plane, and many other desert residents and visitors.

French to fill the tank of his car with gas. After it was done, he gave French \$5 and on entering the station and being told that he had offered too much money said, "Well, I'll take all you have then."

AT THIS TIME, two cars drove into the station and Foguth directed French to service the cars, but not to say or do anything as he would be watching him from the station office. French watched his opportunity, and when the suspect turned his head to observe the occupants of the car, he started running next door to the police station. When this happened, Foguth left the station in his car. The call was placed on the police radio immediately, and Sgt. Robert Young responded. French joined him and they followed Foguth's trail down East Amado, and then on Calle Encelia where they stopped him in the 400 block.

Reinforcements arrived within minutes, and Foguth was taken to the station. A .38 calibre revolver was found in his possession.

Forms and any information concerning them may be obtained from the Franchise Tax Board, Sacramento or from the office of the board at 1522 "E" street, San Bernardino.

TO ADDRESS ROTARY—Emanuel Rothman, local tax attorney, who will speak at this week's Rotary club meeting.

Tax Expert to be Rotary Speaker

Emanuel Rothman, Palm Springs tax attorney, will talk to the Rotary club Wednesday at the Tennis club on the subject "What's Ahead in Taxation." Rothman will discuss the federal taxing process together with the proposals now under consideration by the House Ways and Means committee in connection with the intended revamping of the federal tax laws.

Rothman is both a certified public accountant and a lawyer. He practiced public accounting in southern California for many years and in 1945 retired from the national accounting firm of which he was a partner to become tax and business consultant for a large Los Angeles law firm. Since 1948 he has specialized in tax matters and estate planning.

Early last year he established offices in the new Oasis building in Palm Springs.

Dr. Chapman, 80 Taken by Death on Eastern Visit

Dr. V. A. Chapman, long time resident of Palm Springs and well known in the medical world, died in Manitowoc, Wisconsin, last week where he had been visiting his daughter, Mrs. Jerome T. Kaminski. He was on route home to Palm Springs after a visit at his place in Michigan when stricken. He was 80 years of age.

Dr. Chapman, prominent eye, ear, nose and throat specialist, had been in medical practice for more than 60 years. He performed the first delicate cataract operation in the nation several years ago.

Dr. Chapman maintained offices here from 1929 to 1952. He also had offices in Pasadena. Prior to coming here he had an office in Milwaukee, Wisconsin, which he maintained until 1945.

He was a fellow of the American College of Physicians and Surgeons and a member of the American Academy of Ophthalmology and Otolaryngology. He was a professor at Marquette college in Milwaukee for years.

TENNIS AT IT'S BEST, THE BEST IN TENNIS — Jack Kramer is bringing his 1954 tour of the Davis Cup champions to The

BIGGEST NAMES IN PRO TENNIS TO PLAY HERE

Jack Kramer, Frank Sedgman, Pancho Gonzales, Pancho Segura and Don Budge.

These names add up to the world's greatest tennis — and they're coming to Palm Springs.

Kramer star Davis Cup player, is bringing his 1954 tour of the Davis Cup champions to The Tennis Club Saturday and Sunday, February 27 and 28, for the first outdoor world's championship professional tennis tournament of the season.

EACH NAME ITSELF is a synonym with championship tennis, for all were outstanding amateurs before joining the pro

ranks and dominating the field there.

Here, they will compete for \$3,000 prize money under the sponsorship of The Tennis Club. Lee Bering and Sam Taylor of The Tennis Club are in charge of arrangements.

The tournament is being presented as a benefit for St. Theresa's Catholic school.

A BRIEF RESUME of the careers of each of the men affirms Kramer's billing of the tour as Davis Cup champions.

Sedgman, 26, an Australian, dominated the Davis Cup matches in 1950-51-52 after losing to Pancho Gonzales and Ted Schroeder in the 1949 Cup singles. His Davis Cup record is 9 victories and only 2 defeats. Segura, 32, a native of Ecuador, the most colorful player of the age, won the United States Intercollegiate title for Miami University three times, 1942-43-44, and from 1942 to 1947, when he turned pro, he was included

Tennis Club Saturday and Sunday, February 27 and 28. With Kramer on the tour are, left to right, Pancho Gonzales, Don Budge, Frank Sedgman and Pancho Segura.

in the first 10 in the United States.

GOZNALES, 25, a Californian, turned pro when 21 after defeating Ted Schroeder in the 1949 finals in a great comeback. A member of the 1949 Davis Cup team, he handed Sedgman one of his two defeats in Davis Cup competition.

Budge, 38, a Californian, moved up to the first ten nationally in 1934 at the age of 19. From 1935 to 1939 when he turned pro, he was the mainstay of the United States Davis Cup teams, and was instrumental in bringing the Cup here in 1937 after a 10-year lapse.

Kramer, 32, born in Las Vegas, Nevada, also cracked the first 10 when he was 19. Like Budge, he returned the Davis Cup to the United States after a long absence. In 1946, and his singles victories in 1947 kept it in this country. He turned pro in 1948.

Norma Smith, Dr. Adolph, Win Net Round Robin

Winners in the weekly Wednesday night round robin tennis play at The Tennis Club were Dr. William Adolph and Norma Smith, with Dr. Adolph being replaced by Tennis Pro Ed Meyerson in the final round after he had suffered a pulled muscle.

The winners took 21 games, five more than second place Art Weil and Derek DuMaurier. Third place went to Jim Talman and Roger Williams, Jr., with 15 games; fourth to Frank Humberger and Joanne Drinkwater with 14, and tied for fifth were Roger Williams, Sr., and Lucille Rellig, and Maurice Smith and Don Waxler, each with 12 games.

A large crowd of spectators watched the action.

Village Market forfeited its game to the league leading 29 Palms Marines in City Recreation League play Wednesday night because four players were ill.

PILLOWS IN LOOT

El Centro Riders to Compete Here

Among entries received for the American Legion Bicycle races to be staged at the Polo Grounds next Saturday at 1:30 p. m. is a delegation of novice racers from El Centro, Clinton Mitchell, chairman of the event, said Saturday.

In addition to individual entries, they will also select their best riders for the Desert Sun trophy races to be awarded in inter-city and inter-school events.

Entries in the championship races now include Charles "Handlebars" Thompson, speedster from Bell Gardens and TV rider, and Jan Armour of Compton. Following a Summer of activity in the Burbank saucer before TV cameras, they say they are in top condition for the local races.

Schicke Moves Up as Contender

Wayne Schicke established himself as a contender for the Los Angeles Golden Glove bouts February 10, 11 and 13, by winning a decision over Wilbur Gleim, promising lightweight in the preliminaries in Los Angeles last week.

Schicke, 165 pounds, has been training for two months under Bud Southern at the Palm Springs Youth Center. In his opening bout at the Palm Springs Arena, the 19-year-old youth dropped the decision.

Next elimination fight in which he will participate is scheduled for either Wednesday or Thursday night.

Elks to Go All Out in Dimes Drive Says Exalted Ruler

Palm Springs Elks are planning an all-out drive on behalf of the March of Dimes, William Olsen, Exalted Ruler of the

Lodge announced. In addition to an intensive solicitation among members and their families, Olsen said that the facilities and manpower of the Lodge had been offered to the local March of Dimes organization in support of the campaign.

The Elks leader pointed out that \$26,500,000, or more than a fourth of the campaign total, is earmarked for polio prevention, as the 16-year battle against infantile paralysis goes over to the offensive. This tremendous sum, he said, is required to finance inoculations with gamma globulin, which gives temporary protection, and to finance the tests of the trial vaccine, which offers strong promise of long time immunity against polio.

Indians Drop Third League Hoop Game to Hemet, 47-33

Palm Springs Varsity cagers went down to their third straight conference defeat Friday night, but not before tossing a scare into the undefeated quintet from Hemet.

Final score was slightly one-sided, 47 to 33, with a disastrous third quarter for Coach Ralph Watt's cagers producing most of the winning margin.

HEMET JUMPED OFF to a 12 to 7 first quarter lead, and still maintained a 24 to 20 margin by halftime. The Bulldogs ran wild in the third period, outscoring the Indians 11 to 1, and taking a 35 to 21 lead. Each team scored 12 points in the final quarter.

Hemet's star guard Elmer

Franklin did not see action, and this was evened up in the third period by the Indians' Kenny Price being ejected from the game by the referees.

Chas. Reeves paced his team to victory with 20 points, with Alvin Harrison and James Parker topping the well balanced Indian scoring with six points each.

THE HEMET JUNIOR Varsity had an easy time in pointing the way for their Varsity teammates, winning over the Indian Bees, 65 to 20.

Halftime score was 30 to 7, with the same calibre of play continuing in the second half. Jerry Bunch of Hemet outscored the entire Indian team, dumping in 25 points by himself.

In other Riverside County League action Friday, Coachella edged Elsinore in an overtime battle 35 to 34. Beaumont dropped Perris 65 to 55, and San Jacinto defeated Banning in a low scoring contest 38 to 24.

"Fresh Field" Tomorrow at Playhouse

Opening Tuesday night (January 26) at the Palm Springs Playhouse is the comedy "Fresh Field" by Ivar Norvello.

Barbara Morrison, last seen in "From Here to Eternity," will join the Playhouse's leading lady, Helen Stenberg, in playing the parts of two impoverished gentlewomen.

A choice situation develops when Lady Mary (Barbara Morrison) decides to take in paying guests without the knowledge of Lady Lillian (Helen Stenberg).

A love affair, with Mary Fickett and Tim O'Connor in the role of the lovers) adds romantic interest to the play. Also in the top cast will be Barnard Hughes and Peggy Walker.

This is the third play of the season for Herb Rogers' popular theater-in-the-round, following "Years Ago" and "Country Girl."

Performances are nightly, except Mondays, with show time at 8:40 p. m.

An enthusiastic group from the entire desert area, and also from Redlands, San Bernardino, San Jacinto and Hemet, heard Mrs. Ethel Gillett Whitehorn speak on the basic reasons for electing a strong Republican majority in the coming Congressional election in order to give President Eisenhower the cooperation he must have to establish policies based on sound Americanism.

Cameron, president, San Bernardino County Republican Women; Mrs. Alice Hanlon, of Hemet, past president, Riverside county; and Mrs. Florence Hariman, president of Riverside County Republican Women. So enthusiastic were these officers as they listened to Mrs. Whitehorn's speech that invitations were extended to her to speak at future meetings in Riverside and San Bernardino counties.

country tournament utilizing the three local golf courses... O'Donnell, Tamarisk and Thunderbird!... Nine holes at the former, then slog across the desert with the tenth hole being the first at Tamarisk... 18 holes there... Then across the desert to Thunderbird and finish on the 18th there... 45 holes plus lots of intervening desert... As for the gallery... At each course and of course, the walk across the desert watching the big name golfers pull out of some real sand traps, dunes, brush and rocks, would be to the gallery good... But good.

FELLOW I know went to Santa Anita Tuesday... The day it rained hard and the track was sloppy... He hit that \$84 long shot... And went around town Wednesday proudly proclaiming: "All that I have today I owe to my mudder"... City council said all recreational facilities of the Village were open to the GIs here with the exception of the desert watching the big name golfers pull out of some real sand traps, dunes, brush and rocks, would be to the gallery good... But good.

DURING THE RAIN last week a local woman stood in Palm Canyon drive nonplussed by the wide stream of deep water rushing down the gutter... Her gallant husband saw her plight and from his store across the street brought a footstool which he planted like Sir Walter Raleigh but only it wasn't a coat in the stream... Then assisted her across, dryshod... Then he handed her the stool so that she could come back... Later on she did... But when she put the footstool in the stream, it floated away... Along comes Sir Walter Raleigh II... He rescues the floating stool, gallantly takes it half a block up the street to the stranded woman, plants it firmly and... At the risk of dunking his own feet... helps her across... We still apparently have the days of Knights.

COMES A CARD addressed to "His Majesty Phat"... Guess they don't know I was abrogated or something like that... The card said that something should be done to clean up that vacant lot at Amado and Indian... "It's not an attractive sight for either Villagers or Visitors," the woman wrote... And it looks as if action were near on keeping the entire desert cleaner... Following action by Palm Springs Woman's club in rewarding Scouts for roadside pick-ups, the Desert Guild of Palm Desert is planning a similar program... And the Cathedral City Woman's club is petitioning all governing bodies in the desert area to take action in a general clean-up... The desert will be cleaner... If the women have anything to say about it... And they have.

WISH I HAD NEVER mentioned U. S. Highway 6... First comes a call that I had the eastern end wrong... Now comes a card from Indio that I had the western end wrong, too... Seems Highway 6 starts in San Diego and runs to Provincetown, Cape Cod... "U. S. 6 is the shortest route from Point Loma (1542) to Cape Cod (1629)..." Connecting the spot where North America began with Plymouth Rock, where the dam yanquils began... That makes San Diego 78 years before Plymouth Rock... The card was signed San Diego Bill... So now he's ringing history in on my geography... Or lack of the latter.

So if you should see me tooling along Highway 6 some place in Nevada or Utah, just know I'm trying to figure it out for myself.

AMERICA'S FAVORITE — Nelson Eddy, renowned baritone of stage, screen and concert, opens in the Starlite Room of the Chi Chi in his first Village appearance Tuesday evening.

Nelson Eddy Likes Night Club Shows: "Lots of Fun"

Nelson Eddy, baritone of the world wide fame, in Palm Springs prior to his opening night in the Starlite Room of the Chi Chi Tuesday, January 26 answered a few questions regarding his long singing career and his switch from long-hair concerts to night club singing.

"I'm having fun. There is no law that says a singer must stick to one field," said Eddy. "I've tried them all and this is the one—night club singing—that has given me the biggest wallop."

"It has been said that I was 'fed-up' with high-brow music. That is not true. There are different kinds of good music to fit different occasions."

The baritone's opinion has been borne out by the enthusiastic throngs which he has

Desert Guild to Join in Campaign Against Rubbish

At a meeting of the Palm Desert Guild Tuesday, campaign of the Woman's Club of Palm Springs to eradicate highway litter by subsidizing its removal through the Boy Scouts, was discussed and it was decided to investigate the workability of the same program in Palm Desert.

Mrs. L. C. Cotner described the Christmas party given in December for the boys of Twin Pines ranch at the home of Mr. and Mrs. James Easley of Palm Desert. The Palm Desert Rotary club underwrote the expenses of the party and furnished the Christmas gifts for the boys.

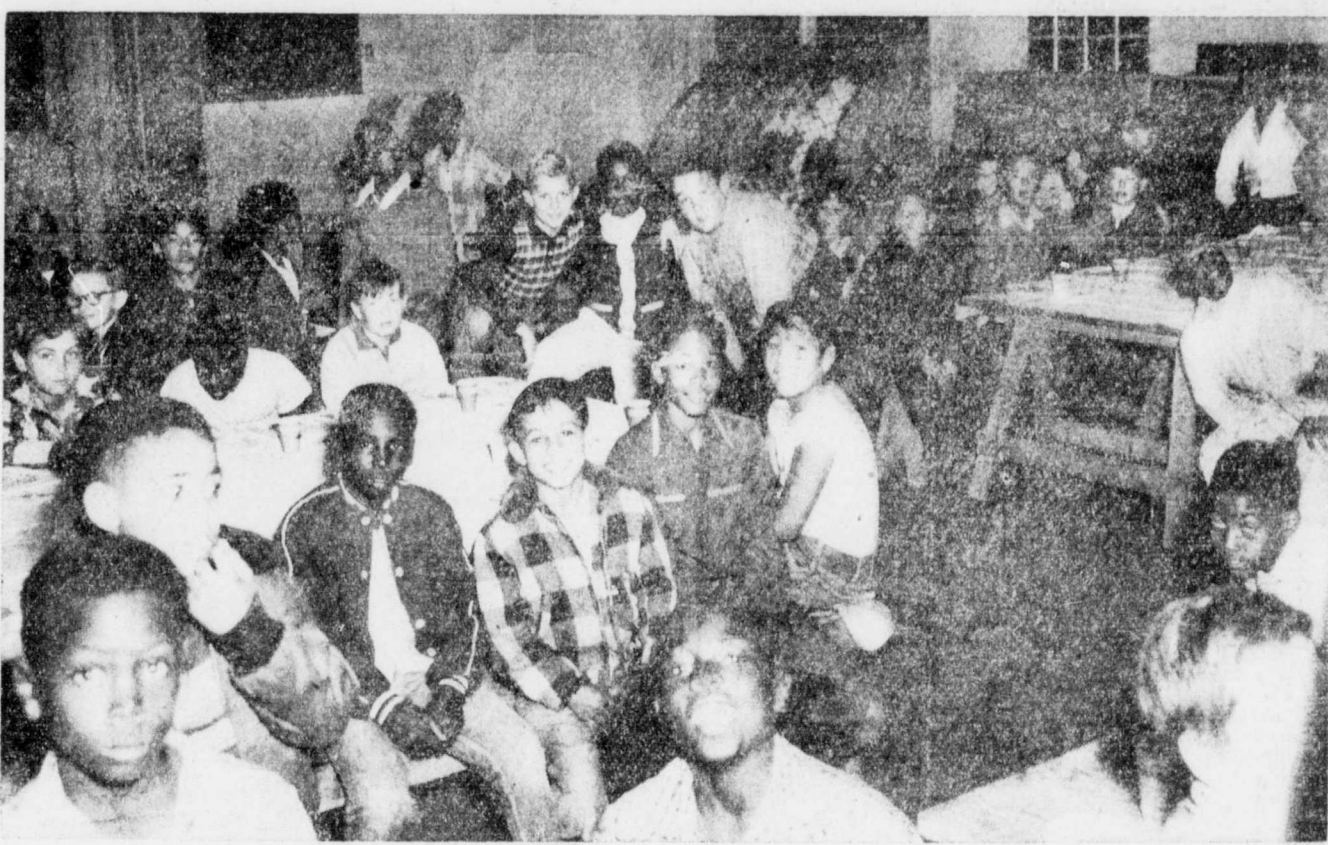

Mrs. Cotner gave her impressions of a visit to Twin Pines. An experienced sociologist, she said that the management of Twin Pines under Mr. and Mrs. Ralph Johnson, and their accomplishments in terms of rehabilitation and human salvage, was the most impressive thing of its kind she had encountered anywhere.

Guest of honor at the meeting was Homer Varner, county supervisor. He "seconded" Mrs. Cotner's high praise of Twin Pines, by giving actual facts and figures showing the inestimable savings to the tax payer effected by the rehabilitation of these boys. Varner also gave a graphic description of the duties of county supervisors. The February meeting of the Guild will be a fashion-luncheon-bridge at the Shadow Mountain Club on February 10, it was announced.

Prescription for a Long Life

Ours is the task faithfully to fill prescriptions, not to write them. But a prescription for our own long life we could write ethically, and did, long ago. It read: "Cooperate fully with physicians to give residents of this community scientifically compounded medicaments of finest quality ingredients. Feel and reflect in all your dealings a sincere desire to be helpful. Be on hand to serve long hours in the public interest. That prescription has already made possible our many years of life as an institution. We plan to keep on using it always!"

Change in Prison System Needed Says Dr. Scudder

"We have got to change the prison system all over America," declared Dr. Kenyon Scudder in an address before the Palm Springs Rotary club last Wednesday noon at the Tennis Club. The superintendent of Chino Institution for Men said that "because prisoners are people and 98 percent of them will return to their communities, you must prepare them to get back into society—teach them to appreciate the meaning of liberty. Too many come out of prison worse than when they entered."

Although a state prison, Chino Institution for Men is not at all like the ordinary prison, Dr. Scudder explained. It has no walls or armed guards—no towers with machine guns in them. The prisoners are known by names, not numbers; they do not even wear the time honored prison uniforms but ordinary sport clothes.

One of the most unusual features of the Chino institution, the superintendent said, is the visiting area where the men can have lunch and visit with their families for four hours on Sundays. "It preserves the family unit and helps prepare the men for return to family life," Dr. Scudder said. They do not take hardened criminals at the institution, mostly first offenders, the speaker told the Rotarians, and the men are carefully screened. The success of this new prison idea, which was conceived by Dr. Scudder and established at Chino in 1941 is proven by the records. He said that they lost only about four percent of the men the first year, and that this now has been reduced to less than one percent although there are 1500 men there. The doors are not even locked at night.

The speaker was introduced by Dr. Arthur Hoff and over fifty visiting Rotarians were introduced by Howard Jay. Herman Reich, club president, presided over the meeting and assessed a number of fines which were collected by Wilson Gibbs.

Page One-B Palm Springs, California, Monday, January 25, 1954 Second Section

With Hildy Crawford

Fantabulous is the word for Palm Springs... It's borrowed, of course, from Oliver Jaynes, who coined it... because he thought "fabulous" and "fantastic" were getting a little worn down... and it's good enough it should be preserved and absorbed into resort vocabulary...

When you write about the intrinsic beauty... and the man-made glamour of Palm Springs... you need a word that has strength like that... Fantabulous were the sports cars that poured into the Village this weekend for the races... the foreign numbers, the antiques, and the custom-built cars... shot with speed... the colorful crowd watching the races... and, of course, the exciting races... Fantabulous, too, is the style show coming up at The Tennis Club Friday night... with some of moviedom's top women modeling fantabulous gowns by Diane... And, it's like that all the time... excitement mixed with glamour... in Palm Springs...

Fantabulous

Palm Springs has seen some fabulous cars... but nothing like the one in which the Otto Koehlers (he's president of the Pearl Brewing company of San Antonio) arrived at the Racquet Club this past week... It's a Cadillac and a half... fitted out with a bar... a card table... refrigerator, air conditioning... and other special features... The custom-made car holds eight people in the back seats... and is equipped with two chauffeurs... With the Koehlers were the Datus E. Propers (he's the veep and general manager for Pearl Brewing)... On Thursday Virginia Farrell took them on a guided tour of Palm Springs... and was their hostess at luncheon at Thunderbird...

Friends and golf cronies down for the Thunderbird tournament next weekend... gathered for cocktails Saturday night... at the palatial Thunderbird home of George E. Cameron Jr... There were about 100 people at the jolly party...

Milling Around

That Men's Wear fashion show at Racquet Club drew an interesting crowd... Milling around in the bar... a strategic spot for watching new arrivals... were people who would have rated head turning... almost anywhere else... Virginia Farrell (looking unusually attractive) was with Rosie Nether... Russ Wade brought Director William Wyler over to introduce him... I missed meeting him once before... Producer Sam Goldwyn was there with his charming wife Frances... Edmund Trzinski (he wrote Stalag 17)... Margo Sallee (dress designer turned author) who is compiling a book on restaurants and night spots in Southern California... that is at once a guide, a recipe book and gay reading... I saw the format of the book... and she has titled it "Adam and Evenings in Hollywood and Southern California"... Margo seemed a little surprised to find so many good eating places in Palm Springs...

Virginia Hobbs and John Swope (he's Dorothy Maguire's husband and a photographer) were there to pick up material on men's sport clothes in Palm Springs... They are with Life magazine, but the feature is for an embryo sports magazine... that hasn't even been named yet...

The men's wear in the show was beautifully tailored... and of the BEST materials... The commentators said they are "silly to the touch"... and the feminine spectators were commenting that there was nothing sissy about the models (all professionals)... Model Stewart Hall seemed to be thoroughly enjoying the show... and turned out to be a terrific dancer...

Helen and Jack Kenaston hosted a party of twelve Friday night... feting the birthday of Ramona (Mrs. Morrie) Smith... Following cocktails at the Kenaston home on San Lorenzo... the party moved on to the Racquet Club for dinner... where Morrie Smith was dinner host... Guests were the Don Woodwards, John Clarks and

Berles Among Guests at the Beachcomber

In another party were Gussie Moore, Eddie Hand and Jim Phillips. Among other diners were the Carl Lesermans, Ginny Sims, Miss Sunny Sund and Paul Moore, owner of the Chuckwagon in Burbank.

were the Milton Berles...

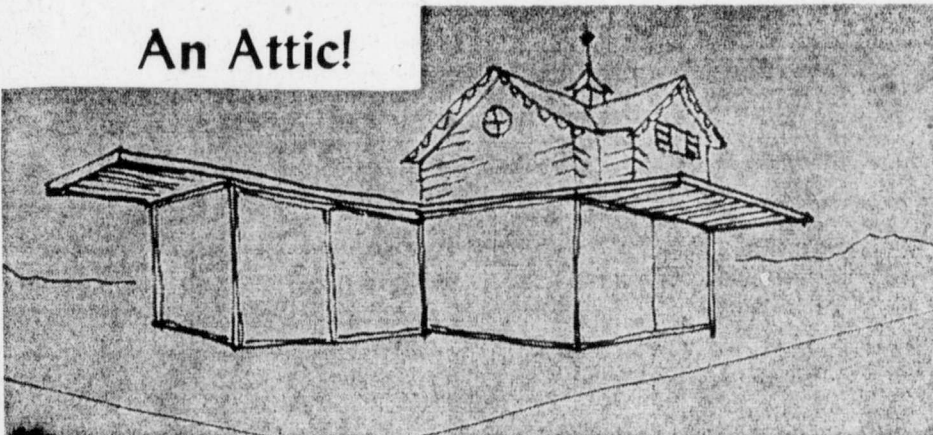

Billy Eckstine is still at the Chi Chi... so it isn't too late for you to hear him sing "I Love Paris in the Spring." If you haven't yet... Effortless singing... and a tonal quality that has something of the effect of a muted organ... make this something you won't want to miss...

Russ Wade, Ray Corliss and Ed Thrasher are just back from San Francisco... where they went to put Harry Reid aboard a ship for Honolulu... They made it...

World-famous movie stars will model Diane's fabulous Hand Knits at The Tennis Club dinner dance Friday evening, Manager Lee Bering announced today.

Diane, herself, arranged for such screen lovelies as Mitzi Gaynor, Terry Moore, Debbie Reynolds, Susan Zannuck, Ann Francis, Jane Powell, and a delightful singing star Rosemary Bowe to act as mannequins for the show.

Such an array of beauty and

glamour has never been seen in Palm Springs and is expected to draw a standing room only crowd of Tennis Club members and their guests.

They will model everything from revealing evening gowns trimmed in ermine and sable to jeweled panties, in an array of the gorgeous gowns, each more spectacular than the one before.

Diane will emcee the show in her own inimitable fashion and music will be by Dave Sloan and his orchestra.

By EDITH EDDY WARD

Portland, Oregon, led with the most representatives attending the Northwest reunion party at Shadow Mountain club last week. Seattle, Washington, was second and Olympia, Washington, third. Among the Portland members and guests were: Dr. and Mrs. Robert Young; Don Breakley; Mr. and Mrs. Merrill B. Moores; Mr. and Mrs. L. C. Lewis; the Kay Olesens; Mr. and Mrs. Kiger Barton; Dr. and Mrs. Charles C. Newcastle; Mr. and Mrs. L. Eberhart; Dr. and Mrs. F. D. Sullivan. From Se-

attle were Dr. and Mrs. Francis A. Brugman; Col. and Mrs. J. Gillingham; Dr. and Mrs. L. R. Dougherty; Mr. and Mrs. O. P. Smith; Alice Smith; Erma Barlow; Mr. and Mrs. I. I. Boling; Mr. and Mrs. C. H. Busby; Dorothy M. McGowan; Mr. and Mrs. Mon C. Wallgren; Gene and George A. Mulkey; Mr. and Mrs. W. R. Andrews. Came from Olympia as did the O. R. Rockways; Mr. and Mrs. A. K. Matzger; Mr. and Mrs. A. M. Chitty; and Mr. and Mrs. Rudy Rokos who were in Eric Burquist

party. Vancouver, B. C., was represented by Mr. and Mrs. G. D. Rodger; Mr. and Mrs. N. C. Ghag; and Mr. and Mrs. Ross Wilson.

Many of the Northwest people returned on Sunday for the Brunch and Fashion Show presented by the Stuard Shop at the club. An outstanding feature of the show was the modeling of matching suits for men and women.

Dr. and Mrs. James B. Oliver of Palm Springs hosted a wild duck dinner at Shadow Mountain club last week. Guests enjoying the ducks which were shot by Dr. Oliver on a hunting trip in Washington were Dr. and Mrs. Hugh Stephens; Dr. and Mrs. S. M. Brown; Dr. and Mrs. William H. Elliott; Dr. and Mrs. B. H. Poliak—all of Palm Springs and Dr. and Mrs. Robert

C. Money of Palm Desert.

Frank Bogert of Thunderbird will again emcee the "Queen for a Night" program this Monday, which will also be "Rancho Mirage" night at Shadow Mountain club. Bogert is bringing as his guest a famous celebrity, whose name is withheld as it is to be a surprise! Last Monday, Mrs. Zaddie Bunker (the flying Great Grandmother) of Palm Springs was given a royal welcome by Al Pearce, the emcee. Mrs. Bunker drew the lucky number for Mrs. Lena Emmons of Rancho Mirage who was also from Rancho Mirage—Mrs. Howard Burdick. Mrs. Cecil Gordon of Palm Desert and Mrs. Arline Garvey were the other two princesses. The Garveys are from New York and were guests at the club that night. Guests of the Dudley Steeles last Mon-

day were Mr. and Mrs. E. L. Remlin of Lido Isle, California. Years ago, Remlin was a flying partner of Steele and he still flies to Honolulu weekly.

Mr. and Mrs. Herbert Pickering of Palm Desert entertained the 54th Fighter Squadron of the U. S. Navy last weekend. They were Lt. (jg) Ken McArthur; John Alvis; Ted Korseren; Richard Ribble; Ray Burkemper; Dennis Poulson; William Searfus and Ensign Richard Crooks. The officers enjoyed swimming, playing cards and dancing at the Pickering home—the party ending Sunday evening with the buffet dinner at the club.

Mr. and Mrs. Monte Wenck entertained with a huge cocktail and buffet party in their new Palm Desert home last week, honoring Dorothy Wenck's

father and mother, Dr. and Mrs. Charles Newcastle from Portland, Oregon. Some of the local guests included Mr. and Mrs. Vernon Peck; the Jerry Malones; Mr. and Mrs. C. H. Bosworth; Ned and Dorothy Blades; Mr. and Mrs. William McLaughlin; and Mr. and Mrs. Gene Roberts.

Shadow Mountain Echoes: A surprise visitor for Mrs. E. E. Reichert was her daughter, Mrs. Nancy Rogers from New York. Nancy's husband, Ronald Rogers, had a singing engagement at the British Colonial hotel in Nassau so Nancy made a flying trip out to see her mother. It was also Nancy's first trip to California and Palm Desert. Ronald's mother is also visiting Mrs. Reichert for several weeks and has been entertained by Mrs. Jack Smith; Mr. and Mrs.

African Exhibit Now at Museum

Miss Marguerite Cordes has loaned her collection of African art objects to the Desert Museum. The colorful fabrics used as elements in the exhibit are

R. T. (Pete) Pierson and the Rudd Hackborns. Three generations of the Roberts family helped to celebrate the 45th wedding anniversary of Mr. and Mrs. L. A. Roberts recently at the club. Their son and daughter-in-law, Mr. and Mrs. Gene Roberts, and their grandson, Kenny Roberts, were all there. Gene is building a new home for his mother and dad in Palm Desert.

examples of trade cloths produced for exchange in Africa by the great cotton mills of Birmingham in England. A heron or crane figure is shown, carved on a Kudu horn. A minute-size ivory elephant and its hollow seed container is displayed on a rectangle of jade-like stone. Museum guests will notice small animal figures made of rhinoceros skin, carved and modeled into shape. This exhibit will continue until January 30.
